

# Middle School Back to School Night

## Tuesday, September 11, 2018

Join us for Back-to-School Night here at Cornerstone Christian. The purpose of this event is to meet your student's teachers face to face. **This night is for parents only.** You will have a chance to hear each teacher's expectations for the year as well as ask questions about each course in which your student is enrolled.

Our night will begin promptly at 6:30 p.m. in the chapel (your student's schedule of classes will be provided as you enter.) After a brief period of welcome and instruction, you will follow your student's schedule and go directly to their first period class. After first period, follow the time table below to guide you through each course of your student's schedule until we complete our evening at 8:30pm.

***\*\*Please remember this is a time for the teacher to address all families. If you would like to address specific questions regarding your student's performance, needs, etc., please contact the individual teacher through e-mail to arrange a conference.\*\****
